

# PARKS

## Hickory Street Park

Client: City of Fernandina Beach

Service Provided: Engineering Design

Value: Donated Services

Start/Completion: 2001

McCranie & Associates donated their time and services in order to design and permit the Hickory Street Park, in Fernandina Beach Florida. Our team not only completed the design services free of charge, they also coordinated the efforts to have the rest of the development community donate money, construction services, and construction supplies. The park is now used for football, baseball and soccer practices as well as other uses by the surrounding community.

## Main Beach Rollerblade/Basketball Court

McCranie & Associates donated their time and services to design and permit the Main Beach Rollerblade and Basketball Court.
